The StarTech.com Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

4 Port USB Desktop KVM Switch with Audio Switching

StarTech ID: SV431USBA

StarTech.com's SV431USBA is a complete multimedia switching solution. It supports high-resolution VGA video and USB peripherals, hotkey support, and includes audio switching and a integrated 2 port switching USB hub for the flexibility you need. All these features come in a rugged metal chassis with a compact form factor that won't eat up your valuable desk space.

Note: Gender changer GC15HSM is required when using this product with SVUSB2N1 series 2-in-1 USB KVM cables

Applications and Solutions

> Controlling two computers using a single keyboard, mouse and monitor
> Integrated USB 2.0 hub allows you to share USB peripherals between computers

Features

> Audio can be locked to a particular port when switching between computers
> Designed for high-resolution applications: up to 2048 x 1536 pixels supported
> Hotkey switching for ease-of-use
> Integrated USB 2.0 hub allows you to share high-speed USB devices between computers
> Metal chassis for long-term furability
